

## François HOLLANDE and Valérie TRIERVEILLER

### The separation

---

**F**rançois Hollande, the French president and Valerie Trierveiller, his ex-fiancé, lived in the same house .They wanted to marry.

**O**ne day the president said in front of a lot of people that he never wanted to see Valerie Trierveiller anymore.

**V**allerie trierveiller said she was going to be fine in front of an assembly.

**T**hey separated in front of France and in front of the media and we know the president is alone and we wonder if he has a new friend.
