

The twin towers

- 1** The twin towers were in New York city, in the World Trade Center. On September 11th 2001, there was a terrorist attack...
- 2** First the north tower was colided into by a plane. An hour later, the first tower collapsed.
- 3** Then, the second tower was colided into by another plane. This inhuman act killed a lot of people.
- 4** The pentagon, Situated in Arlington (The pentagon is the Ministry of Defence) was attacked by another plane a few minutes later...
- 5** Again, a lot of people were killed by this horrible act...
- 6** Now, the twin towers are being rebuilt...
